ADOPT-A-FAMILY

Dear TPS Community:

It is that time of year again, and the Tyngsborough Public School's sponsored *Adopt-A-Family* program is beginning its annual efforts as we approach the 2019 holiday season.

The *Adopt-A-Family* program has been in existence for over forty years and provides assistance to needy families within our community during the holidays. The continued goal of the program is to assist those in need within our community by providing a meal, as well as gifts for children and teens who might otherwise go without. Last year this *Adopt-A-Family* program was able to assist over 100 needy families and elderly with help from students in our schools, private citizens and a few community businesses. This year will be no different, times continue to be difficult for a growing number of families.

In order to continue to provide assistance, we are reaching out to community members and businesses in the greater community for support. At this time the program is in need of the following:

... Family and children sponsors, please email our Family Liaison Melissa Mallous at Melissa.Mallous@tyngsboroughps.org

... Gift cards to local businesses (Walmart, Target, Market Basket, Old Navy, etc.)

... AAF Gift Basket Raffle - Purchase raffle tickets - AAF tickets can be purchased in the main office of TES, TMS and THS beginning November 4, 2019. The raffle will end on December 5, 2019 and the winners will be announced on December 6, 2019.

... Monetary donations (checks made out to Tyngsborough High School, memo: Adopt A Family Program) can be sent to Tyngsborough Public Schools, 50 Norris Road, Tyngsborough, MA 01879, ATTN: Sharon Fairbanks

If you are interested and able to make a donation, sponsoring a child/family yourself, or as a group, or offering support in another way, please contact one of the *Adopt-A-Family* committee members listed below. We look forward to establishing new partnerships within our community. Your contribution, along with the combined efforts and generosity of many, will ensure another successful season of giving for our neighbors in need.

Warm regards, **Sarah Lewenczuk**, 978-649-8914, Adopt-A-Family Secretary & Treasurer Sarah.lewenczuk@tyngsboroughps.org

THERE'S A LOT TO LOVE ABOUT FALL LEAVES

by Sustainability Tyngsborough Chairwoman,
Liz Antanavica

The first hint of crisp air and blustery winds means its sweater and boot weather, but it also means the yearly leaf cleanup is on its way. This year, put your fall leaves to work instead of tossing them in the woods or bagging them and sending them off in the yard waste truck.

If you don't have a mulcher mower, you can run over fallen leaves a few times with your regular lawn mower or use a shredder to break them down into smaller pieces. Now you have four options for these shredded leaves:

Leave them on your lawn and spread lime over them. The lime will offset the acidity of the shredded leaves (and pine needles). This will enrich your lawn.

Use them as an insulating mulch layer for acid-loving plants like blueberries and evergreens.

Naturally enrich veggie beds by mixing shredded leaves, along with some garden lime, directly into the topsoil. This will increase the organic material and water holding capacity of your garden.

Add the leaves to your compost pile with grass clippings and other "green" materials to generate your own nutrient rich soil additive.

Leave the leaves that fall in your flower and veggie garden beds and delay your clean up until Spring. The leaves help preserve valuable habitat for overwintering butterflies, moths and native bees and provide an insulating layer for tender plants and shrubs.

Remember, you should never dump grass clippings, leaves or other yard debris within 30 feet of a wetland resource area, including stream banks or drainage culverts. These materials will eventually break down into soil, which will then fill in the wetlands. Filling wetlands negatively impacts storm water holding capacity and also contributes to nutrient runoff into our waterways and algae bloom downstream in our ponds. This is why dumping such organic matter within 30 feet of wetlands is illegal under state and local wetland protection laws.

Sustainable Tyngsborough is a subcommittee of the Board of Selectmen. **We meet the third Tuesday of every month**, beginning at 6:30pm, in Meeting Room #1. **You are always welcome to join us and share your sustainability ideas and concerns.**

ARE WE BORN IN SIN?

By Nathan Combs

As a result of the sin of our first ancestors, Adam and Eve, have we all inherited their guilt? Do we enter life with an unrighteous spiritual status? Although it is impossible to fully address this ancient debate in the space of one short article, we can briefly explore one of the passages many consider central to this question: Romans 5.12-21. In this chapter, the apostle Paul is making the case that Christians can have confidence in their spiritual reunion with God based upon what Jesus did in his death and return from the grave. We were saved *by* him, and we now rejoice *through* him.

That's the context in which Paul begins to write his controversial words, starting in vs. 12: "Therefore, just as sin came into the world through one man, and death through sin, and so death spread to all men because all sinned..." It is beyond dispute from this verse that the curse of spiritual destruction grew from the garden of Eden and encompassed the world. But how exactly did it spread? Was it because it became an inherited human trait? Notice the last phrase of the verse carefully: "*because all sinned.*" This echoes what Paul had already written in 3.9-23 and charges that every human has actively participated in the sinful brokenness of the world, whether they descend from Abraham or not. Adam certainly was the first to expose the world to evil and its consequences, but that evil was fed and perpetuated by every one of his descendants. This happened through conscious choice, not through the mere act of birth.

Consider what Paul writes in Romans 5.18-19: "Therefore, as one trespass led to condemnation for *all men*, so one act of righteousness leads to justification and life for *all men*. For as by the one man's disobedience the many were made sinners, so by the one man's obedience the many will be made righteous." If Paul is arguing that everyone automatically enters life as a sinner because of Adam's actions, then he's also saying in the same verse that all people will automatically be saved because of Jesus' work. Yet, Romans is very clear at the beginning of chapter 5 that we are "justified by faith." Therefore, Paul must mean that just as one man (Adam) opened the door to death for all people, the God man (Jesus) opened the door to life.

Not only that, but the grace that is now coming into the world is much stronger than the death that entered. Paul says as much in Romans 5.17 - "For if, because of one man's trespass, death reigned through that one man, much more will those who receive the abundance of grace and the free gift of righteousness reign in life through the one man Jesus Christ." We are not born sinful, but we will all sin. However, the power of Jesus to rescue us is, as always, more powerful than the efforts of Satan.

HIPAA PRIVACY RULES

By Edward H. Adamsky

The Health Insurance Portability and Accountability Act of 1996 ("HIPAA") required new privacy standards to protect health care consumers. It took until 2003 to have those standards finalized and implemented. At first the rules caused confusion and fear as the law had severe penalties (fines and jail) for violations of patients' privacy. Providers changed their systems and became very rigid in what information they would release.

In the last sixteen years however, providers have become used to the system. No one has been punished for innocent infractions and no health workers have gone to jail. Some egregious and criminal violations have been sanctioned but the original fears of most providers did not come true.

Still, the standards are in place to protect everyone's privacy, and providers do follow them. You will not be able to get any "Protected Health Information" from a "Covered Entity" without a release by the individual patient. In most cases if the patient is present, they can give verbal approval for a provider to speak to or in front of another person. But, without a written privacy release, the provider will not speak to a third-party about a patient who isn't there to assent. Hospitals are comfortable telling you if someone is there or not, but they won't tell you the person's condition.

This means that if you want someone else to know about your situation, then you should sign a HIPAA Privacy Release so that third person can present that document to any provider from whom they need information. I am now having all of my clients execute a Privacy Release along with their other Life & Estate Planning documents. You may need HIPAA releases for your college-age children too.

One reason a third-party might need information is to pay a bill. If you have signed a Power of Attorney naming some trusted person to help you with paying bills, then that person has the power to handle your money and pay the bill. But, if it is a medical bill, and they have a question about it, the provider will not talk to them without the Medical Privacy Release. A medical bill contains Protected Health Information and the billing office of a provider will not talk to your Agent under your Power of Attorney without a signed HIPAA release.

Protected Health Information means information about an individual's physical or mental health condition; the provision of health care to the individual; and, payment for that health care. "Covered Entities" include most health care providers, health insurers, and affiliated organizations (Doctors, Hospitals and Labs).

Estate Planning and Elder Law attorneys have modified their planning documents to include language designed to help families properly use and share protected information. Older documents may not have the right language, so you should review your documents, and if necessary, see your attorney to have them updated.

TYNGSBOROUGH HIGH SCHOOL

.... is proud to announce *Students of the Month for October:*

Amber Bean, Jack Bouché, Samantha Fagundes, and Alex Kilmon.

Amber, daughter of Russell and Laurie Bean, is a member of the National Honor Society and is a recipient of the Core Values Award, the Principal's Award, and the Outstanding Achievement in Theater Award. She is the co-president of the International Thespian Society in the Tyngsborough theater program, and is also a member of the student council and the PALS program. Amber has danced for 13 years, and she volunteers her time with the children's program at her church. She has also volunteered with the Philadelphia Project, doing a week of community service in that city, and with Potters' House, doing a week of community service in Guatemala. Her favorite subjects are history and English, and she enjoys doing theater and dancing. Amber looks forward to going to college and to studying a career in education. "THS has given me the opportunity to express myself creatively through theater arts. It is where I've met some of my best friends, and had some of the best weeks. Some of my fondest memories I will take with me are singing and dancing on the Tyngsborough theater stage, all the fun events with PALS, and crazy Homecoming weeks. I believe that all of my experiences at THS have contributed to the person I am today and my future success."

Jack, son of Matt and Karen Bouché, is a recipient of the Principal's Award and the Commitment to Learning Award. He is a member of the Senior Sidekicks program as well as the THS tennis team. Jack wakesurfs competitively, and he also enjoys playing and building guitars, snowboarding, playing tennis, and playing saxophone, bass guitar, and piano. He volunteers his time with Kitty Angels and as a musician at Lion's Club charity events. His favorite subjects are math and science, and he looks forward to becoming a doctor in dermatology or trauma surgery and to making an album. "I have made a lot of good friends, enjoyed playing the saxophone in the school's band since fifth grade, I have had some amazing teachers who inspire me to do anything. I love life and love bringing positive vibes to others."

Samantha, daughter of Mike and Nisa Fagundes, is a member of the National Honor Society and is a recipient of the Principal's Award. She is a member of the yearbook club, and she was chosen for MIAA's NESLC Leadership Conference. Samantha is a four-year varsity basketball player for THS; she is the captain of the team, and she is the recipient of the Coaches' Award and the Mid-Wach League All-Star Award. She volunteers her time at the Lowell Stoklosa Middle School, the Lighthouse School, Catie's Closet, NHS events, and at Pelham Veteran's Memorial Park Summer Camp. She enjoys camping, playing basketball, going to concerts, going to Boston sports games, and creating art. Samantha's favorite subjects are math and science, and she looks forward to going to college for biomedical engineering, playing basketball, traveling, and being successful and happy in life. "I've gained friends I'll never forget and I've had great teachers who have taught me not only academics but life lessons. I'll leave with memories throughout the year, such as Homecoming week and playing four years of varsity basketball with the best teammates."

Alex, son of Amy and Shane Kilmon, is a member of the National Honor Society and is a recipient of the Bausch and Lomb Honorary Science Award, the Commitment to Learning Award, the Massachusetts Foreign Language Association Board of Directors Award, and the Outstanding Achievement in Mathematics Award. He is a member of the Boy Scouts, and an Eagle Scout candidate. He just finished his Eagle project building toddler beds for the Lowell Wish Project. He is a member of the robotics club, the THS golf team (also a captain), and the THS tennis team. Alex volunteers his time at various NHS and Spanish Honor Society events, at the St. Vincent de Paul food pantry, and with the Wish Project. He enjoys golfing, and his favorite subjects are math and chemistry. Alex looks forward to becoming a chemical engineer. "THS has taught me about perseverance and collaboration, two of our core values. I will fondly remember each of my golf and tennis seasons, as well as the fun classes I took."

Congratulations to these four students.

On September 10, 2019, the Altrusa Club of Merrimack Valley kicked off the start of a new year of service in the community by celebrating World Literacy Day with the distribution of a \$500. Scholarship to Julia Tassinari of Tyngsboro, a student enrolled in the BA in Elementary Education and Special Education at the University of Massachusetts-Lowell. The scholarship was given in memory of Eleanor "Ellie" Durant, 38 year member of Altrusa, who taught for the Chelmsford School System.

On Saturday, September 14, 2019, the Altrusa Club conducted a Food Drive at the Market Basket on Amherst Street in Nashua to benefit the Nashua Soup Kitchen and Shelter (NSKS).

The overwhelming generosity exhibited by Nashua shoppers on a cold, rainy day warmed our hearts and helped to make our efforts a huge success. Altrusa is grateful to Market Basket (DeMoulas Supermarkets, Inc.) and the manager, Marty Maguire, for allowing members of Altrusa to solicit donations outside the store. This demonstrates Market Basket's continued commitment to the community.

To those who gave so generously, we thank you for helping us fulfill our mission and for providing support for the NSKS.

Altrusa International of Merrimack Valley is a non-profit volunteer association whose members are dedicated to making a difference in the lives of others. **For more information about Altrusa, please visit www.altrusa.org or email altrusamv@gmail.com.**

Northeast TOBACCO FREE Community Partnership

Vaping by youth has become an epidemic and I'm asked frequently what can be done to turn the tide. Now new resources are available to help youth who want to quit vaping.

Two new free programs, **This is Quitting powered by truth@** and **My Life, My Quit™**, are available to help Massachusetts youth become nicotine- and tobacco-free.

Quitting vapes or other tobacco products can be hard. Here are some ways you can help young people get support:

... **This is Quitting** powered by **truth@** is a free and confidential texting program for young people who vape. Text "VapeFreeMass" to 88709. In partnership with the Massachusetts Department of Public Health.

... **My Life, My Quit™** has youth coach specialists trained to help young people by phone or text. Young people can call or text "Start My Quit" to 855-891-9989 for free and confidential help or sign up online at mylifemyquit.com.

... Encourage young people to ask their school nurse or counselor, athletic coach, doctor, parent or other trusted adult for help.

... Visit teen.smokefree.gov for tools and tips.

... For more information, young people can visit mass.gov/vaping

Talking with youth about vaping is essential—youth need to know that vaping is harmful and that help is available for those who want to quit. Visit GetOutraged.org to learn more or contact me at (978) 722-2864 or ashley.hall@glfhc.org

RISE AUTHORS TO READ AT NASHUA PUBLIC LIBRARY

Members of the creative writing classes at the Rivier Institute for
Senior Education (RISE) will read from *DAWN, The Literary Journal
of RISE*, at the Nashua Public Library Sunday, November 17 from
2:00 – 4:00 p.m. in the Theater. Copies of *DAWN* will be available
for \$6, and authors will be pleased to add autographs and inscrip-
tions.

Many RISE members have a passion for writing and began putting
their creative thoughts to paper, writing memoirs for their families.
Poetry has grown in popularity over the years since Dawn's incep-
tion.

DAWN was first published in the spring of 2000, featuring the works
of nine RISE authors. This year's publication tops out at an impres-
sive 148 pages and features the prose and poetry of 35 authors.
The journal is divided into three sections: fiction, nonfiction, and
poetry. The non-fiction section remains almost 100 percent memoir
writing. A short biographical sketch of each author appears in the
back of the journal and tells of the varied backgrounds and careers
of each author.

DAWN is a thoughtful and inexpensive gift to give to friends and
family. It is available for purchase at the RISE office, Rivier Univer-
sity, Room 126 in Memorial Hall, Clement Street, Nashua. Proceeds
from sales of the *DAWN* Journals will go to a RISE Memorial Schol-
arship which supports Rivier undergraduate day students who have
demonstrated a commitment to the greater Nashua community
through volunteer work or public service.

The Dawn Editorial Staff is hoping that audience members who
aren't familiar with RISE will want to learn more about the program
at the reading event. RISE brings people 55 and older together who
love to learn and meet new people. For more information about the
RISE program, tailored for learning in retirement, visit www.rivier.edu/rise
or call (603) 897-8623.

DOG PARKS

Tara M. Sacramone, DVM

Recently it seems more and more people have been bringing their dogs to dog parks. Each dog park is different. Some are very official, well maintained, requiring membership, proof of vaccination and even a DNA test on the dogs stool, insuring all feces will get picked up. Some are just places people with dogs tend to gather together to let their dogs play, some even without fencing. Much like everything in life there are good and bad things about dog parks.

First the good – let's face it, it's just plain fun to watch a dog run full throttle, especially if you don't have a fence at home. All that running is good exercise for weight control, many of the dogs I see are overweight. Also it is good socialization, dogs are a pack animal and most of them like to socialize with other dogs.

As a veterinarian I will admit that there are many things about dog parks that frighten me. Firstly contagious diseases, from viruses and bacteria to ringworm (skin fungal infection) to external parasites like fleas and mites and internal parasites like roundworm, whipworm, giardia, etc. Some of these diseases are also contagious to humans. I also worry about bad behavior both from other dogs and even my own dogs. Not all dogs like each other all of the time and not all dogs like all people all of the time either. Dog bites can be very serious, even life threatening. Not to mention how unpleasant it is to witness a dog fight. Even nice happy dogs can knock over an innocent bystander. Bad behavior can also come from the other dog owners. Some things are just annoying, like not picking up after their dog, and some things are more serious, like not taking responsibility if their dog becomes aggressive and injures either a person or another dog.

So if you are considering bringing your dog to a dog park, proceed with caution. If you have a smaller or an easily frightened dog proceed with extreme caution. Go to the park first, see how it seems to you. Maybe one with more rules is more your style or maybe a more casual approach will work for you. I will admit you won't see me at any dog parks. As well as all of the above concerns I have the added worry that one of the dogs will figure out I'm a veterinarian and convince all of the other dogs to gang up on me.

DUNSTABLE EVANGELICAL CONGREGATIONAL CHURCH

518 Main St, Dunstable, MA 01827

www.Dunstablechurch.org

978-649-6251

Pastor Bobby Ross pastorbobby@dunstablechurch.org

DECC is a welcoming church at the heart of the Dunstable community. "We gather to glorify God, to grow in Christ and to live the gospel in the world."

Sunday worship time begins at **10:30am** and Christian Education/ Sunday School for children and adults at **9am-10:15am**.

WORSHIP: Pastor Bobby leads our worship services which feature a variety of music, scripture readings, corporate prayer, and spoken messages, with Communion (the Lord's Supper) served on the first Sunday of the month.

EDUCATION: Adult and children Sunday School classes meet at 9:00 am on Sunday mornings in the Fellowship Hall and Room #4 respectively. During the Adult class, the "CASKET EMPTY" program, a Summary of the Bible, we'll cover the Old and New Testaments in a historical progression, showing how they work together to create the biggest, best story that has ever been told. The Adult class also meets at 7:00 pm Tuesday evenings at the parsonage covering the same material as on Sunday.

CHILDCARE: Childcare for infants through kindergarten is available both during Sunday School hour and the worship service.

FELLOWSHIP: Everyone is welcome to an informal time of fellowship with coffee, tea, and refreshments after the service.

DECC YOUTH GROUP: All area youth in grades 6-12 are welcome! Regular meetings will be held on Sundays 4-6 pm at the Dunstable Evangelical Congregational Church, unless otherwise noted. Some events planned are astronomy night, fundraisers, games, snacks, study, the Living Nativity and other surprises. Contact Leader Jon Hughes with any questions at Jon.hughes480@gmail.com or 978-303-7708.

On Sunday, Nov 24, we will dedicate all donations received for families of Pepperell and Dunstable that are served by PACH (Pepperell Aid to Community & Home). If, each day, you put one food or personal care item in a box, by Thanksgiving Sunday you would have a wonderful donation. You can drop off items any time in the containers in Fellowship Hall. (If you continue one item each day through December, you would have another box of needed items for My Father's House to donate at the Living Nativity!)

THE ANNUAL LIVING NATIVITY will be held on **Saturday, December 7**, a night to remember! Walks continue between 5:30 and 7:30 PM on the Dunstable Town Common. We've expanded the event this year, with more animals, warming fires and musical presentations! Join us for an outdoor guided walk to Bethlehem. Trace the steps of Mary & Joseph as you walk the candlelit paths and meet the shepherds and wisemen. Enjoy Christmas music and view the animals as you journey to see the baby Jesus. Come anytime between 5:30 and 7:30; each walk is about 20 minutes. After the walk join us for refreshments. Sponsored by Dunstable Church.

Our Christmas Eve Candlelight Service on Tuesday, Dec 24th, will begin at 7:00 pm, preceded at 6:45 pm by a Carol Sing, so come early to sing some familiar Christmas carols. There will also be a contemplative service on Christmas Day at 10:00 am.

Come visit your community's church. We will be happy to greet you! For more information, please visit our new website at dunstablechurch.org, contact the church office at (978)649-6251, or contact us by email info@dunstablechurch.org.

Vanished Veterans – NH's Civil War Monuments and Memorials

New Hampshire towns did not erect monuments to prior wars, but the emotional and family toll, unprecedented in American history, drove the decision to honor our local soldiers and sailors of the War of Rebellion. **George Morrison** will present how he located, inventoried, and photographed the fascinating variety of New Hampshire's Civil War memorials. This program is **free and open to the public** through a grant from the NH Humanities' Humanities to Go! Speaker's Bureau.

LOADING DOCK GALLERY

122 Western Avenue, 2nd Floor Lowell, MA 01851

Orbs: Spheres of Unity Orbs: will be on display at the Loading Dock Gallery through **December 1, 2019.**

The Loading Dock Gallery heralds November with an invitational exhibition by Tracey Levesque entitled **Orbs: Spheres of Unity**, showcasing the fine art and fine craft of glass, fiber, 2D and metal artists.

The theme of this show is both relative and timely as this select gallery of artists explores the unifying principle of orbs, spheres and circles, their significance, and how the different media of artistic expression convey the form's essence of perfection, unification and the balancing of the extremes of the world we live in. Come delight in this artistic celebration of the orb and how its symbolic nature of unity, vision, inclusivity and balance may only scratch the surface of our imaginations!

The Loading Dock Gallery is a program of Loading Dock Arts, Inc., a 501C3 nonprofit. The gallery is open Wednesday-Saturday from noon to 5:30 PM, and Sunday until 4 PM. For more information, call 978-985-0695. On-line, visit the gallery at theloadingdock-gallery.com or shop store.theloadingdockgallery.com
