DUNSTABLE TOWN CLERK

Please do not place tax bills, water bills or trash payment in the Town Clerk's lockbox in the lobby (there is a sign but still..) I do not have an assistant or coverage when I'm out of the office to collect my mail and these payments can sit unattended during my absence which could be a couple of weeks. These payments need to go to the appropriate person for timely posting.

Town Clerk Office Hours - I will have appointments available usually on Mondays and Thursdays (sometimes this will change) and working remotely on Tuesday and Wednesday as the Town Hall has to stagger employees to comply with Governor Baker's orders. **Please call or email to schedule appointments.**

Town Hall has reopened partially to the public, but it will continue to be staggered hours by departments until further notice. **It is highly recommended you contact the office you want before coming in to be sure they are here to help you.**

Please see the notice from the Board of Selectmen/Town Administrator under News and Announcements on the home page of the town website.

DUNSTABLE BOARD OF HEALTH TOWN OF DUNSTABLE TRASH AND RECYCLING PICKUP PROGRAM

The Board of Health would like to announce that we have renewed our Trash and Recycling Contract for another 3 years with G.W. Shaw & Son with no increase in the subscription fee. This will be the 4th year that we have been able to keep the fee at \$300.00.

Your yearly subscription with the Town of Dunstable for the Curbside Trash and Recycling program will expire on June 30, 2021. Three renewal options are available.

You can mail a \$300.00 check made payable to the Town of Dunstable to P.O. Box 268, Dunstable, MA 01827, or you can drop off a check or cash at the Town Hall Monday-Thursday 9:00-4:00 p.m. or use the mail slot in the side door of the Town Hall any time. Please write Joan - Trash Payment on your envelope. You may also pay on line on the town webpage www.dunstable-ma.gov and choose on line payments. Scroll down half way to Trash-Board of Health. New subscribers can use the same options.

We also sell overflow bags for those times you may have extra trash that will not fit into the trash container. The cost is \$3.00 each, sold in rolls of 5 for \$15.00. Those can be purchased on line or at the Town Hall. If you pay online you will have to come to the Town Hall to pick the bags up. Although there is not a specific spot to purchase the bags on line, just fill in the amount and we will recognize the amount is for the purchase of bags.

Please send your payments in as soon as possible to avoid an interruption in service.

If you need to reach us for any reason, please email us at iferrari@dunstable-ma.gov or health@dunstable-ma.gov. You may also leave a message at 978-649-4514, Ext. 229. Thank you.

DUNSTABLE SENIORS

Program Coordinator Susan Tully 978-649-6750

or Email at sjt0213@verizon.net

Dunstable Seniorswe are a peer group for those over 60.

.... There will be **NO MEETINGS** at the Dunstable Library
until further notice

HAPPY BIRTHDAY to all who are celebrating this month!

• **Book Group** Our meeting will be held in the community room of the Dunstable Church on Saturday, June 19th at 10:30am.

We will be discussing the German girl by Amanda Lucas Correa. A young girl flees nazi occupied Germany with her family only to discover that the overseas refuge they have been promised is an illusion. **Everyone is responsible for getting their own copy of these books. There are many copies available thru MVLC/ Dunstable library. Like to read, we'd love to have you join our group.**

Dear Community,

It has been a busy year for the **Groton Dunstable Education Foundation** due to the ongoing COVID-19 pandemic and its impact on our education system. We have been working hard to support our teachers and students in successfully navigating the challenges of teaching and learning in a virtual and/or hybrid environment. We funded 8 major grants and 14 mini-grants which provided \$46,000 to teachers and students of the GDRSD.

We granted new and different types of requests such as durable goods like standing desks, paint for the hardscapes, scoop seats, and yoga mats which enabled children to utilize outdoor learning environments. We also supported professional development about promoting the resilience of children in a pandemic, teaching critical thinking skills, and considering Diversity, Equity, and Inclusion in literacy.

During our Annual Giving Campaign, with the generous support of our community, we were able to raise nearly \$20,000. We held the GDEF Trivia Night virtually again. We raised money for grants and had a blast! Congratulations to *The Flying Toupees* for their grand win!

The Board of the Groton Dunstable Education Foundations wants to extend our heartfelt thanks to all the people in our community who helped us help the teachers and students of the GDRSD this year. We are also endlessly grateful to all the teachers and staff of the GDRSD who have worked tirelessly on behalf of all our children.

Wishing you all the best, GDEF Board

LOCAL SCHOLARSHIPS AWARDED!!

The Trustees of the **Helene Morgan Babcock and Alfred Babcock Memorial Scholarship Trust** are pleased to announce the six graduating seniors from the town of Dunstable who have been chosen to receive this year's awards.

As a community, we are fortunate to have this trust that has been financially awarding Dunstable seniors since 2005. The benefactor of this scholarship, Helene Morgan Babcock, was one of seventeen children raised in Dunstable. Her family's home was destroyed by a fire in 1923, four years before she was born. Residents of Dunstable welcomed the family into their homes while the Morgan home was rebuilt. The gesture of community kindness was never forgotten by Helene's mother; she reminded her children "to never forget the kindness of the people of Dunstable." Remembering her mother's words, Helene, upon her death, bestowed her entire estate to the Town of Dunstable for scholarships to selected graduating seniors.

We are proud to announce the 2021 Babcock Scholar is **Katherine Eberhardt**. **Katie**, a graduate of Groton-Dunstable Regional High School, will receive \$16,000 over the course of four years to help with the cost of her college education. Katie has been deeply involved in community service with endeavors ranging from developing athletic clinics for elementary school children to growing the Mind Matters Program and Shine Initiative both which attend to mental health outreach for high school students. Katie is a strong proponent of positively impacting the youth community. She plans to attend the University of North Carolina where she hopes to major in the sciences.

In addition, the trust is pleased to present five, one-time scholarships of \$2000 to the following graduates:

Hannah Ketelhohn will attend Worcester Polytechnic Institute where she plans to major in Biochemistry and eventually work as a Medical Research Scientist.

Nicholas Towle will attend the University of Massachusetts where he intends to earn a degree in Nursing.

Abigail Axon will attend the University of Massachusetts and plans to major in Communications and someday become a Children's Speech Pathologist.

Hannah Erickson will attend Worcester State University and plans to become a nurse.

Kyle Plausse will attend the University of Massachusetts to study Health Sciences to become a Physician Assistant with an interest in orthopedics.

We are also pleased to announce that **Catherine Hann** has been selected to be the recipient of the second annual **Tobey Scholarship**. This \$1000 scholarship is awarded to a graduating Dunstable student through the generosity of Russell G. and Shirley L. Tobey. Catherine will be attending the nursing program at University of Vermont in the fall.

Each one of these recipients demonstrated a strong work ethic, the personal and academic skills necessary to succeed in educational endeavors, and most importantly, a sense of social responsibility with demonstrated effort toward helping people and their community.

Congratulations to these deserving Dunstable seniors!

PROBLEMS WITH SPRINGING POWERS OF ATTORNEY

By Edward H. Adamsky, Attorney at Law

Your Durable Power of Attorney is one of your most important planning tools. It will allow a trusted person to handle your financial and legal affairs if you cannot do it yourself. Of course, you don't want your agent under the Power of Attorney to do anything now, you only want them to act when you cannot. So, this means many people think they only want a Power of Attorney that "springs" into effect upon their incapacity and not an "immediate" power. No one wants to give away any power until they have to, but there are major problems with Springing Powers of Attorney.

With a Durable Power of Attorney, you share your authority with the named Agent, who can be a family member, a friend, or any other trusted person. You do not give up any of your own authority to handle your affairs, you merely share it with the person named as your Agent. Most Powers of Attorney written by Elder Law Attorneys are immediately effective. That means the Agent has authority to act right away. Of course, the principal (the person signing the document) may not need or want the Agent to act right away, but an Elder Law Attorney knows it is best for the Agent to be able to act at a moment's notice.

Some lawyers write Powers of Attorney that are not immediate. Many forms you find online are like that too. Those forms have a clause that says the Agent's power only comes into effect upon the happening of an event such your incapacity. This is what we call a "Springing" power. The trouble is you then have to define that event and how you will prove the event has happened. Usually this is by saying that a Doctor must "certify in writing" that you are unable to handle your own affairs. This means that you have to be seen by a doctor, the doctor has to make the determination that you cannot handle your affairs, and then the doctor needs to be willing to put that in writing. All of this is logistically difficult and may delay or even totally stop the Agent from being able to get anything done.

If the Agent does get that letter or certificate signed by a Doctor, then the Agent will need to show that letter along with a copy of the Power of Attorney whenever he or she needs to act and to prove to a third-party that he has the power to act. That letter or certificate will probably be dated (as it should be) but that means that it will become "old" after a while and third parties may want to see a freshly dated letter which will require another meeting with the doctor and another attempt to get the doctor to sign a new certificate. This might repeat every few months for as long as necessary.

Any delay caused by needing to get the Doctor to sign off could mean that bills cannot be paid, money cannot be promptly moved from one account to another, or other legal documents, like a Medicaid application, cannot be signed and filed. These delays can cost money and limit the changes that could be made to account for a new and unexpected situation. You should discuss why an immediately effective Power of Attorney is right for you with your Elder Law Attorney.

Matt's Monthly Mechanical Memo

By Matt Manning

Though small spaces, renovating a bath can be quite challenging as they contain more features than any other room besides a kitchen. Follow these simple tips for success.

Plan the project first, to feel better about final results and costs. Make a list of likes and don't likes about the existing bath. Prioritize frequently touched items (such as faucets, toilets, shower valves), and those that support your lifestyle (dual vanity sinks). Put budget expectations into perspective while planning 10- 20% contingency for inevitable surprises.

Install a tub only if you actually take baths. If the home includes another family bath with a tub, omitting the tub in favor of a luxurious shower in the master makes sense. And, you might not have to remodel. You can start fresh without demo. Consider tile refinishing, new lighting or refreshing bath fixtures (toilets, trim, lights, faucets) for big impact on a smaller budget.

BAKE AND CRAFT SALE

On **Saturday June 12th from 12-3** Mae and Bob Hopke will be hosting a Bake and Craft Sale at their house at **200 Pond St., Dunstable, MA**. The proceeds will all go to support the **American Cancer Society's Relay for Life** event. Normally the Relay for Life is held with many other teams at a larger venue. It is virtual again this year due to the pandemic, so we will host a mini one at our home. The Relay for Life is much more than a fundraiser. We remember, honor and support those in treatment and celebrate those who have won their battle. We have a luminary ceremony with luminaries decorated for individuals affected by cancer to make sure they know they are loved and for those who lost their battle, that they are not forgotten. We will have luminaries up in our yard that day to show that we will continue our fight to find a cure against this disease as we offer HOPE and support to those we love. Stop by if you want to add a luminary to the display. Luminaries are decorated white paper bags.

On **June 12th** we will be selling individually wrapped bake goods and small items filled with HOPE! We will once again be selling "Gabi's" bears in honor of a 5 year girl who lost her battle to brain cancer. We will also be selling raffle tickets for a diverse array of prizes! Our Team "A Wee Bit of Hope" also makes and donates "Gabi's" bears and cloth face masks to MGH Pediatric Oncology as part of our team spirit.

Drop off for Food Pantry, Pop Tabs and Box Tops

We are so proud of the community teamwork we have witnessed which has allowed us to become a great partner with the PACH food pantry in Pepperell, MA. Through your partnership and generosity we have been able to bring thousands of pounds of donations to the pantry since last spring when the COVID crisis began.

During the months of construction at West Auto we will continue to work with our community partners so **if you have donations for the pantry to drop off, pop tabs to donate to benefit the Shriners organization or Box Tops for Education for Swallow Union Elementary school our Community Cares table** is located in our temporary waiting area which is now located in the rear corner of West Auto Repair building on the fire station side. Donations will be delivered to the Pepperell food pantry on Tuesday & Thursday. *In addition to food, personal care items, and pet food donations, they also accept Gift Card Donations to local grocery stores. They are given to neighbors in need or used by pantry volunteers to purchase items to stock the shelves. Gift cards in the amount of \$25 would be helpful.*

"LET HIM HEAR"

By Nathan Combs

Imagine for a moment that you're a 1st century Jew in Roman Palestine. You have heard about an impressive young rabbi from the unlikely town of Nazareth. You've even met fellow Jews who have witnessed his miracles or heard him teach in their local synagogues. When you learn that he is coming to teach nearby, you decide to go see him for yourself. As you arrive at the edge of the Sea of Galilee, you join the massive crowd that presses around Jesus. You watch as he climbs into a boat and begins to teach.

To your surprise, however, everything Jesus speaks is in riddles. You start to get excited about his repeated talk about "the kingdom of heaven," but there is no follow-up declaration of war against the Roman oppressors. There is no impassioned political speech. There are no recruiters working the crowd to construct a rebel army. Instead, Jesus simply gives parables! He speaks about a strange farmer who indiscriminately throws his seeds everywhere, even in places where he knows it won't grow. He speaks about a treasure hidden in a field, which is found by a man who sells everything he has to buy that field to obtain the treasure. He speaks of a tiny mustard seed which grows up to become a large shade tree for nearby birds. As Jesus unfolds parable after parable, you never hear him offer any explanation for these cryptic teachings. As he wraps up and begins to dismiss the crowd, he simply looks around and says: "He who has ears, let him hear." As the crowd begins to dissolve, you can't help scratching your head at what you've heard. You now have a choice to make: either approach Jesus and ask for understanding or simply walk away like most of the others are doing.

This was the choice of many Jews that Jesus interacted with, since he always spoke to large crowds in parables only (Matthew 13.34). Privately he explained their meanings to his disciples and told them that the "secrets of the kingdom" were exclusively given to them and not to everyone else (Matthew 13.11). Why would Jesus purposefully withhold those explanations from the many and give them to the few? The answer is simple: the disciples were the only ones who pursued him with questions! All of the others were uninterested in further inquiry because "seeing they do not see, and hearing they do not hear, nor do they understand" (Matthew 13.13).

As we read the parables or any other part of God's word, we are faced with the same choice. Will we pay close attention and then ask questions from the text? Will we continually return to those words to dig out more treasure to enjoy and share with others? Or will we casually walk away from Jesus, too preoccupied by our own desires to care deeply about what he taught? He who has ears, let him hear.

PREVENT TICK BITES

Ticks can make you sick when they bite you. They are most commonly found in grassy, brushy, or wooded areas. They only attach when you come into direct contact with them — they cannot jump or fly. Follow these steps if you live, work, or spend time in areas where ticks are present:

- Check yourself for ticks once a day — it's the single most important thing you can do.
- Use repellents that contain DEET on your exposed skin and those that contain permethrin on your clothes.
- When walking or hiking, stick to main pathways and the center of trails if you can. Brushing against tall grass and bushes will increase your exposure to ticks.
- Weather permitting, wear long-sleeved, light-colored shirts and long pants tucked into socks. This will help keep ticks away from your skin and make it easier to spot ticks on your clothing.
- Because dogs and horses are particularly susceptible, talk to your veterinarian about the best ways to protect your animals from tick-borne disease.

PREVENT MOSQUITO BITES

Mosquitoes can spread diseases that make you sick. In Massachusetts, mosquitoes can give you eastern equine encephalitis (EEE) virus or West Nile virus (WNV). Only a small number of mosquitoes are infected at any given time, so being bitten by a mosquito does not mean you will get sick. However, the best way to avoid both of these illnesses is to prevent mosquito bites.

- Drain standing water in and around your house or yard to prevent mosquito breeding.
- Repair window and door screens to keep mosquitoes out of your home.
- Use a mosquito repellent with an EPA-registered ingredient according to the directions on the label.
- Wear clothing to reduce exposed skin when weather permits.

For more information about preventing mosquito and tickborne illness, visit www.mass.gov/mosquitoesandticks.

THE LOADING DOCK GALLERY

122 Western Avenue, Lowell, MA 01851

Show: **Just Married** Show: June through 27, 2021
Love birds or not..., be sure to flock to Loading Dock Gallery this June. **Just Married** at the Loading Dock Gallery from June 2 to June 27, celebrates love with art—cheerful, elegant, and inspired. Carolyn Lee Cook creates art prints of her paper airplane series and a handmade quilt inspired by her son and daughter-in-law's wedding. Betsy Keeney creates elegant jewelry to wear or give. Laura Massei's hand lettering supports love with words on canvas. Vivian Rosalee adds whimsy with paintings of animals dressed for a wedding. Whether shopping for unique gifts for the wedding party or art to enliven a happy couple's home, **Just Married** has something for you.

• **Carolyn Lee Cook** prints, paints, and sews colorful art inspired by family, friends, nature, "and life in general." Her paper airplane series in **Just Married** grew out of love for her son and daughter-in-law, air traffic controllers, living far away. The series includes a quilt made from fabric originally purchased for her son when he was in middle school. "I thought of him and his new bride so often while working on this series." Cook lives in Billerica, MA and teaches art to middle and high school in Lexington. In addition to her studio at Western Avenue Studios in Lowell, MA, she uses "every spare table at home."

• **Betsy Keeney** of Centre Village Studio presents jewelry suitable for weddings or any joyous event. Her pieces feature elements inspired by nature, such as lotus, cherry, and dogwood blossoms. They also reference leaves and abstract forms. Working with precious metals, particularly gold and silver, Keeney incorporates subtle texture in her designs, as well as accenting some of her pieces with pearls or gemstones. Primarily self-taught, Keeney loves to experiment. She teaches at the Institute of Art and Design at New England College in Manchester, NH. Keeney worked from a studio at Western Ave Studios for thirteen years. She now lives and works in Pepperell, MA. Her jewelry makes the wearer feel special, and will stand the test of time.

• **Laura Massei** of July Design marries words and color in artwork that inspires and celebrates faith, hope & love. Her work is as uplifting as a song. In **Just Married**, Massei presents hand lettered messages of love on large canvases, integrating them with joyful abstract painting. A member of Western Avenue Studios for two years, Massei now works out of her home studio in Nashua, NH. For Massei, making art is a way to stay inspired. "And if I need to be inspired, maybe someone else does too."

• **Vivian Rosalee** loves animals, real and imagined. Her **Just Married** pieces present animals all dressed up for the wedding. The animals, painted in ink, feel both whimsical and elegant. "Many people love animals and have pets, and they are often included in the wedding celebrations in some way. That's why I am painting animals in wedding attire - suits, wedding dresses, flowers, etc. Animals are even cuter dressed up in fancy attire!" Rosalee has a BFA from Lesley University. She shares a studio space at Western Avenue Studios with her mother, Carolyn Lee. She donates 10% of her profits to either the Central Food Ministry in Lowell, or a parrot rehab center (Happy Wings Sanctuary) in Virginia.

Just Married runs June 2-27, 2021 at Loading Dock Gallery, 122 Western Avenue, Lowell, MA. Join a Meet and Greet event Saturday, June 5, 3-5 PM.

For more details, call 978-415-9889 or visit www.theloading-dockgallery.com. Shop the gallery's on-line store, <https://store.theloadingdockgallery.com/>.

4 COMMON QUESTIONS ABOUT CLOSING COSTS

Sponsored by Carrie Best Cyr

If you're getting ready to buy a home, you're probably focused on saving as much as you can for the down payment. But don't forget: You'll need to cover closing costs, too.

To create a realistic homebuying plan, make sure you factor in this additional upfront expense so that you can set yourself up for success.

Are you eyeing a home purchase in the near future? Here's what you need to know about closing costs:

1. What are closing costs?

Closing costs include several fees, including those associated with originating, processing and underwriting your loan, recording the transaction with your county, appraising your home and more. Taxes and insurance are also part of these expenses.

2. When do you pay them?

Closing costs are paid on closing day, once your loan is ready to be finalized. You'll also pay your down payment at this time.

3. How much are closing costs?

The exact amount you'll pay will depend on various factors, including your location, loan amount, lender and more, but you can generally expect to pay somewhere between 2% and 5% of your total mortgage balance.

4. Are there ways to reduce closing costs?

You can reduce your closing costs by shopping around for your lender and title company, asking the seller to contribute, or, in some cases, negotiating with your lender.

Selling a house comes with closing costs, too, so make sure you're prepared if you'll need to sell a property before buying your new one.

2021 YOUTH PUBLIC SAFETY ACADEMY TO BE HELD VIRTUALLY

CHELMSFORD, Mass. – The Middlesex Sheriff's Office has announced that it will be offering a free, virtual Youth Public Safety Academy (YPSA) once again this summer.

"While our goal had been to host an in-person camp this summer, it takes months of planning to properly prepare for a high-quality learning experience like YPSA," said Middlesex Sheriff Peter J. Koutoujian. "With limited guidance available to us early in the planning process on how summer camps could safely operate and what compliance measures might look like, we decided the best decision was to follow the successful model we implemented last year when we held a series of free, virtual YPSA sessions."

Additional information regarding the 2021 Virtual YPSA will be released in the coming weeks. Families with questions about YPSA may contact Director of Community Affairs Ken Doucette at 978-495-7408 or at kdoucette@sdm.state.ma.us.

To read the full letter from Sheriff Koutoujian to families regarding this year's YPSA, please visit middlesexsheriff.org/YPSA.

Our first ever parking lot yard sale was a success!

The weather ended up cooperating and Sunday was an absolutely beautiful day for a yard sale. Volunteers worked hard preparing items for the sale, they showed up at 7 am to set up, stayed all day to work the sale, and packed up at the end of the day. We could not have done it without all of their hard work. We are so grateful for each and every one of them.

Thank you to all of the shoppers who came out to take advantage of some great deals to help fund our mission to take care of those most in need in our community.

We hope you all had just as much fun as we did!
